

THE INSIDE STORY

MEDRAD's New Corporate Headquarters

In November 2005, Allegheny County Executive Dan Onorato joined Pennsylvania Governor Ed Rendell to announce that MEDRAD Inc. would build its new 125,000-square-foot corporate headquarters at the Tech 21 Research Park in Marshall Township. MEDRAD was the first company to commit to the 223-acre advanced technology park.

MEDRAD is a leading provider of medical devices and services that enable and enhance imaging procedures of the human body. The company's products are sold to hospitals and medical imaging centers all over the world with annual sales surpassing \$300 million. The medical devices company already employs more than 1,000 people in Allegheny County at facilities in Indianola and O'Hara Township.
